Three Arch Bridge and Flowering Reflection Pond Restoration Project

The Maudslay State Park Association (MSPA) is a non-profit, tax-exempt membership organization dedicated to the preservation and protection of the natural, historical, and horticultural resources of Maudslay State Park. The MSPA aims to promote educational, cultural and recreational use of the Park consistent with the conservation of its terrain; to support the quiet enjoyment of the land; and to foster research and education about the history of the Maudslay property.
